

IT'S SO EASY. YOU'RE THERE ANYWAY. JUST SIGN UP.

This past year, Clear Falls Band has participated in the **Kroger Community Rewards** program. However, this program requires you to reset your card every year, so it's time to do it again. Or if you never have, now is the time to get that Kroger card. The following was sent to us from the Kroger Corporation.

We want to remind you that **August 1, 2013** is the first day your supporters can start linking their Kroger Plus Cards to your organization. Share your Non-Profit Organization number with your supporters and encourage them to visit our secure website:

www.KrogerCommunityRewards.com to link their Kroger Plus Card. Currently, supporters can register their Kroger Plus Card, download coupons to their card and keep track of points, but the first day that they can link their card to your organization is August 1.

Starting September 1, 2013, any time your enrolled supporters shop at Kroger using their Kroger Plus Card, they will be accumulating rewards toward your organization. REMEMBER, purchases will not count for your organization until your supporters register their cards on line.

Once again, thank you for participating in our Kroger Community Rewards program.
Sincerely,

Consumer Marketing

Kroger Food Stores – Texas/Louisiana

We will not have letters with barcodes anymore. This program is designed for your organization's participants, friends, supporters and family members. No solicitation to the general public is allowed.

So, get those computers and Kroger cards out and sign up. Register your card and click on the account tab. Choose COMMUNITY and re-enter your information. You will have an opportunity to enter the first few letters of Clear Falls Band. The organization will appear to choose. Click enter and you are done.

Thank you
Clear Falls Band Boosters
