# Part I: Communication with the Directors

An open line of communication between the directors and both parents and students are a necessary component for any successful band program. As a staff, we understand your time is very valuable and that you may have questions or concerns that need immediate attention. We do ask that you extend us the courtesy of scheduling a time to visit either by phone or through e-mail and schedule a conference at least 24 hours in advance. Spontaneous parent conferences may not be accommodated. If you are unable to reach us directly and need to leave a message, please provide your contact information and our goal will be to respond to every correspondence in a timely manner.

## Part II: Entrance and Performance Ensembles

Entrance into the CFHS band program is at the discretion of the band directors. Guidelines for entrance include positive past participation in a CCISD band program, moving into the district having been affiliated with another band program or new membership with a private lesson agreement. Any member not in good standing from their Intermediate school or another school outside of CCISD may depend upon the decision of the band directors to gain entrance into the band. The band/guard program is a full year commitment and consideration for removal must go through the band directors and administration before removal is considered. All students must be enrolled in the band/guard class in order to participate.

The Knights Band and Guard Program is comprised of different performance ensembles designed to provide students with a well-rounded music education experience. The directors reserve the right to reassign students within each ensemble according to student standing and compliance to course requirements at the semester break.

#### Marching Band Text

During the fall semester, **ALL** members will participate in the Knights Marching Band. A physical education waiver is awarded to members of the marching band. <u>A student may elect to not be in</u> <u>marching in the event they are enrolled in Clear Connections and completed CCISD Wavier form.</u>

#### **Concert Ensembles**

The Clear Falls Knights Band program operates fiscally out of the Visual/Performing Arts Budgets, the school Activity Account and the Band Booster Funds.

All equipment fees will be collected by the Clear Falls Band Boosters and all equipment will be ordered through them as well. The fees will be initially due when ordering through online store on <u>www.clearfallsband.org</u>

All students will be charged a "Fair Share Fee". This applies to students enrolled in "Brick and Mortar" and "Clear Connections". The charge will be \$180 for the year. The fair share fee will cover many aspects of the program that the VPA budget and funds from the Activity Account cannot cover.

In the event the full band fee cannot be paid, there will be options available to pay off the total during the year. Any extenuating circumstances must be communicated to Mr. Moreno in a timely fashion. \*\*The band program will not deny a student membership into the band program due to funds, but please communicate any concerns with Mr. Moreno.\*\*

\*\*\*\*Please note that no amount of the fair share fees will be refunded in the event a student exits the program\*\*\*\*\*

## Private Lesson Program

It is the goal of the Clear Falls High School Band Program to provide the very best learning experience for each student. One of these learning experiences is the opportunity for interested students to study privately with a professional instrumentalist and receive additional individual help in their musical training. This individual attention generally improves the performance level of the individual student and has a positive effect on the

ensemble in which the student participates. This enrichment opportunity is available to all band students. Lessons take place via approved online platform. All lessons must be recorded.

It is the student's responsibility to communicate all schedule conflicts, even with the band. Please keep your teacher updated on ALL potential conflicts, including testing dates, field trips, etc., to make sure they are well notified about days they do not have to arrive for your lesson.

## Driver's Education

- Due to their extremely high value, all school owned equipment will need to be handled with optimum care.
- The school district may charge a \$100 usage fee for the year. This does not cover basic maintenance!
- The following is a list of general procedures for school owned instruments:
  - When possible, students will be issued one instrument for home use and one for school use. Order of distribution will be based on chair order.
  - Please understand that students will be held responsible for school owned instruments issued to them. This responsibility will include fire, theft, accidental damage, abuse and general maintenance not incurred through normal use.

- Students and parents must sign an instrument check-out form before the instrument can be used by the student.
- Students will be expected to maintain their issued instruments accordingly.
- Students will be financially responsible for all equipment and/or materials that are checked out to him or her.
- Students will keep all equipment and materials in their proper storage location when not in use.

## Personally Owned Instruments

- The band program, school or CCISD is not responsible for personally owned instruments. Any damage that might incur during rehearsals or any other time is the responsibility of the owner; therefore, it is highly recommended that students provide insurance coverage for their instrument.
- Although students are issued a locker, please remember that the instrument storage area is not secure. Again, we stress the importance of every instrument going home daily as CCISD is not responsible for instruments left at school overnight.

## Step up Instruments

• The quality of instrument will help determine the quality of performance for all students. Students will have the opportunity to purchase a step-up instrument to enhance their playing ability. This is strongly encouraged by the band staff, however, please consult with a band director **before** purchasing an instrument. This is for the protection of the purchaser and check that the student is getting a great quality instrument for the monetary funds spent.

## <u>Tuners</u>

• The tuner is one of the tools to help our band sound the best that it can. All who use a school owned tuner will be assigned one at the beginning of the year. We will verify it is in working condition and the students will sign for it. If the tuner or any of its components (including mic clip) break it will be the financial responsibility of the student/parent to replace the tuner or component immediately. In the event a student does not have a fully functioning tuner and/or mic, they will not be allowed to fully participate in the given rehearsal.

## Uniform Guidelines

- At this time, we will not distribute district owned uniforms.
- For Marching Band, we will use the marching shirt, black shorts, band shoes, and long black socks.

# Part V: Marching Band/Fall Guard Season

The Clear Falls High School Marching Band is the most visible organization of the instrumental music program. All members of our organization are expected to participate. Students who participate in school sponsored varsity level activities, such as cheerleading, drill team, football, etc. may be excused from participation at the discretion of the band staff. Students may also be excused for medical complications or physical disabilities. *Please note different solutions will be presented for varying situations. All exemptions will be at the discretion of the directors. Students in Clear Connections may opt out of marching band this year upon completion of a waiver.* The following information is marching band specific:

## <u>Physicals</u>

• All students must have a physical on file with the CCISD Athletic Department BEFORE they are able to participate with the marching band. Physicals are a way we can ensure the safety of your student during marching rehearsals in the fall season.

## Water Breaks

• Water breaks will be given frequently outside marching rehearsal in accordance to State Guidelines (7-10 ounces every 10-20 minutes). The band will have about 1 minute to run to the sidelines to drink water from their CFHS water jug. Any student that does not have their water jug will not be allowed to rehearse with the CFHS band.

## Rehearsal Schedule

• When possible, the directors will communicate the schedule in as much in advance as possible. Due to COVID-19 schedules are subject to changes at a moment's notice.

## Field Positions

• Varsity Marchers- All band students will be Varsity marchers this year.

## Attendance Guidelines

- Due to the participatory nature of band, attendance is required for all rehearsals and performances. The quality of the Clear Falls Band Program is directly proportional to consistent attendance. Absences hurt the individual student and the overall team goal. The following guidelines outline the attendance procedures and policies for the marching band: (All Summer Camps will be regarded as rehearsals) *Please do not sign up for any school sponsored blood drives on the day or days immediately prior to rehearsals, games, or contests. (unexcused)*
- Tardiness
  - Attendance will be taken promptly at the beginning of rehearsal.
  - Students not in their correct spot at the appropriate time will be marked tardy.
  - Tutorials, appointments etc. will not be an excuse for tardiness unless prior arrangements are made and approved. Students will be expected to fill out

an excused tardy card at least twenty-four (24) hours prior to the rehearsal. Tardiness will be excused at the discretion of the directors.

- Students who have more than one unexcused tardy shall be subject to one of the following consequences issued at the discretion of the directors:
  - 2<sup>nd</sup> tardy loss of marching privilege at the week's football game.
  - 3<sup>rd</sup> tardy loss of attendance at the week's football game.
  - Frequent tardies- consideration for removal of primary marching position or loss of physical education waiver.
- Absences
  - A tardy will be converted to an absence fifteen (10) minutes after the start of rehearsal.
  - If a student is present for more than half of the school day, they are expected to stay for all after-school rehearsals. If a student is absent for more than half the school day, they will be considered excused from rehearsals.
  - *With advance notice, absences may be excused at the discretion of the band* <u>directors.</u> Tutorials, appointments, work, driver's ed., notes/emails from parents etc. may *not* be an excuse for absence. Personal illness requiring medical attention, answering "YES" to any of the COVID questions on the questionnaire, or other serious problems will be considered as an excused absence. Students who are continually ill will need to provide a doctor's note releasing them from participation in order to ensure the well-being of the student and to reduce director concerns. If in doubt, an absence should be checked with a director.
  - Students who have an unexcused absence from a performance may be considered for removal from a competing band class or from the band program.
    - Regular unexcused absences Removal from the marching band.

\*Please note, even upon removal from the marching band students are still responsible for the learning the show music and pass-offs.

The Performance score may be used for the purposes of audition, the letter grade will be used as a scoring for progress report/report card grades.

## Music Performance Standards (100 point scale)

- 100-85 (Letter Grade A-100)

  - An awareness of the key is present, though frequent errors may occur in notes and rhythms. Tone quality is very poor for the instrument. Tempos are not constant, but may be significantly below those required. There is no dynamic contrast. Frequent or occasional stops prevent any meaningful musical communication. The performance would be considered a Poor Rating by the UIL standards. <u>http://www.uiltexas.org/files/music/band-concert-rubric.pdf</u>
    - Student did not attempt to play or played only a few of the notes in a given passage.

Rhythm is totally accurate regarding relation of quarter note and eighth notes: The scale does not rush or drag on the key notes. Octave tuning has been addressed though inconsistencies may exist in the extreme ranges. Vibrato is present on long notes and the last note finishes the phrase musically.
- Five (5) Letter Grade C-70
  - All notes are correct. Tone is developing properly but may be inconsistent in the extreme ranges. Rhythm is even or very close and the correct range was performed. Vibrato may or may not be present. Articulation is consistent but may be in need of further attention.

# Part VII: Eligibility

Please read the following rules and regulations regarding academic eligibility as it pertains to participation in the CFHS Band/Guard Program:

- Many activities associated with music education are designated by the state as extracurricular including, but not limited to, football games, parades, pep rallies, UIL Marching Contest and UIL Concert and Sight-Reading Contest and Winter Guard contests. These activities are therefore governed by the state laws regarding participation.
- The state law is such that a student shall be suspended from participation in all extra-curricular activities sponsored or sanctioned by the school district during the nine-week grade reporting period in which the student received a grade lower than seventy (70) in any one class. However, the student may not be suspended from participation during the period in which school is recessed for the summer or spring break. Also, students are not suspended from regular practice or rehearsal of extra-curricular activities.
- Students may regain eligibility under certain circumstances. If a student has been suspended as a result of failing, he/she may regain eligibility by passing ALL courses in the progress reports of the affected grading period. Thus, he/she may regain eligibility at the conclusion of the following week of the grading period.
- A few music education activities are designated by the state as co-curricular. These activities are those which occur on campus and are a natural extension of the learning taken place in the classroom. An example of this type of activity is the public concerts, pre-uil, holiday and spring concerts which are held at Clear Falls High School. These activities are not governed by the state eligibility law.

The main goal for the Clear Falls High School Band/Guard is that all students are always eligible. However, there are certain courses deemed by CCISD that allow students to participate despite having a failing grade. These courses are considered "waivable courses". In order to obtain a waiver, a district waiver form must be completed and signed by the student, parent, teacher of failed class, and band directors. Under certain circumstances directors reserve the right to not sign the waiver at their discretion. You may qualify for a letter or jacket in the following way:

| 0 District Band                         | 5 points  |
|---|-----------|
| o Region Band/Orchestra                 | 10 points |

## 20 Total Points = Awards Jacket

- I Students must have 20 points to be considered and sized for Awards Jacket.
- Students that do not have enough awards points may not be sized for their awards jacket. These students will have to fulfill the 20-point requirement and wait to be sized until the next letter jacket sizing opportunity during the school year.

A student may receive only one major award for combined activities during his/her four years in high school and no more than one award per year for participation in the same organization.

\* These points count only for students who have not received an award by their senior year. They may not be used to receive a second award letter.

A "CFHS Band/Color Guard Letter Jacket Qualifier Worksheet must be filled out and turned in to a director for approval

# Part IX: Band Social Events/Communication/Social Media/Booster Club

## **Band Social Events:**

At various times during the year the band will have social events that are used to build the morale of our program and to allow the students a reward for their hard work. These activities are all regarded as band functions and proper conduct, dress code and rules will be followed by the students. Students may be required to gain parent signatures for the event, and students may be required to stay for the entire duration of the event; other circumstances will be communicated by the directors. At any time, band students, and other persons, may not be allowed to attend any or all social events during the course of the year at the discretion of the band directors. This may also include any special privileges that are attributed to the event at hand. Social events include lock-ins, band sporting events, band banquet, etc.

## Calendars:

It is the directors' desires to keep the students informed of all events that the band is responsible for attending in a timely manner. The student's will be given a yearly calendar that has all MAJOR performances as well as some rehearsals for the school year. In addition to the yearly calendar, the students are given a monthly calendar to remind them of dates from the yearly calendar as well as detailed listing of rehearsal times and locations. Please note that there may be slight changes to the dates, times or locations on occasion. When this happens, the directors will attempt to notify students during class time and notify parents via mass district call outs or mass parent emails. It is, ultimately, the student's responsibility to communicate all band events to parents/guardians once informed by the directors. The 2020-2021 yearly events calendar may be found on pg. 36.

## Charms:

The Clear Falls Band/Guard program utilizes an online system called "Charms" as another way to keep accurate records for student information and to send out mass communication to parents. We ask that parents enroll in the charms program with current phone/email credentials so that we may send out any and all information to all at one time.

## Websites:

The Knights Band/Guard will also post information, calendars, forms, paperwork, materials, handouts, etc. on the Clear Falls Band Booster and Clear Falls Band websites. The websites are:

#### Clear Falls Band Booster Organization:

Clear Falls High School Band Boosters, Inc. is a non-profit organization providing support for the Knights Band and Color Guard through volunteer service and financial assistance. To achieve this goal, it takes many dedicated volunteers all working together as a team throughout the year. The help of each band and color guard member's family is needed to provide the necessary support for a successful band program. Financial assistance is needed to cover items not typically included in the Clear Creek ISD budget or the Band Activity Account. Each year (usually in May), the Booster Membership approves a budget which helps support the band many areas.
