

Clear Falls Knights Band & Color Guard

Brian Moreno
Director of Bands

Dear Friends,

The Clear Falls Knights Band and Color Guard would like to thank you for being a part of our community and for all of the support you have provided to us over the last 13 years. As local organizations, we rely on one another for support and we hope that you will consider becoming one of our sponsors for the 2023-2024 school year.

About Us

The award-winning Clear Falls Knights Band focuses on excellence in performance, hard work, and having fun with friends along the way. Band serves as the backbone of our high school experience, driving us to succeed in everything we do. Is it a time commitment? Absolutely, but one that pays off in our friendships, our achievement, and even our time management skills! Many of our seniors believe that choosing to be in the band is one of the most important decisions they made in high school.

Throughout the year, the Knights Band and Color Guard perform in various venues including concerts, parades, football games and marching contests. This past year, we also hosted a jazz band contest and our jazz band played in Kemah for the public. Each year we continue to strive to be better and deliver more for our students and for the community.

We Need Your Support!

The CFHS Band Boosters are committed to providing financial support for our Knights Band and Guard and in order to do that, we are asking for your support. Your donations will directly benefit the students in one or more of the following ways: hiring expert clinicians to develop and strengthen skills in music, marching, choreography, dance, percussion; purchasing new equipment or replacing old equipment; upkeep and maintenance of current equipment and trailers.

We hope you will consider becoming a sponsor as your contribution will help decrease the out of pocket cost for the students and elevate their level of performance in competitions. We are dependent on funds raised to provide the students the best we can offer - because it not only aids them in their passion, but fuels their aspirations and dreams of the future!

Sincerely,

The Clear Falls Knights High School Band and Color Guard & Band Booster Club
